

Dear families,

Although, for many of us, the festive period is a time spent with families, taking part in the giving and receiving of gifts and having plenty to eat, there are many in our community who have no family, no place to sleep or food to eat.

We are very proud that our new Academy Parliament would like to help these people as they recognised their is a need within our community. Therefore, we now have a food donation point set up in the academy, but we need your help to fill it.

We understand that this is a very expensive time of year but we know, from your extremely generous donations at harvest time, that you continually support our local community.

If you could donate a tin or packet of dried food or essentials such as soap, toothpaste, deodorant and shampoo, we will be able to provide much needed items to members of our community.

Please no fresh products. The donation point will be in the entrance hall and if you could send in your donations by **Thursday 20th December**, all proceeds will be donated to the local food bank in time for Christmas.

We would like to thank you in advance of your donations

Matthew Vickers

Principal
