

Dear Parent/Carer,

Thank you so much for supporting your children with their home learning during these difficult times, especially continuing to read with them.

As this academic year draws to a close, we need all of the Accelerated Reader and phonic books (RWInc or Freshstart) returning to school for a quarantine period, so they can be used next academic year.

On **Tuesday 30<sup>th</sup> June**, school will open a book drop zone on the stretch of grass parallel to the staff car park. This drop zone will be manned by a member of staff during school hours from **9:00 – 2:30pm**. When presenting the books, please can you inform the member of staff the **child's name and class** so we can keep a record of who has returned books.

If your child is attending one of the bubbles within school, they can simply return any books to the member of staff leading the bubble.

Please be aware that this book drop will be weather dependent, as it is outdoors. If the book drop is cancelled due to the weather, you will be informed of an alternative day as soon as the weather permits.

We thank you again for your continued support.

Yours Sincerely

H Raspin
