

Dear Parents/Carers,

Although the academy is operating very differently at the moment, we are continuing to finalise our plans for the new academic year. Part of this planning includes organising the children's class groupings for 2020/21.

Under normal circumstances, we would have a transition day where your child would visit their new class to work with their new teacher. Unfortunately, due to the government guidance on how schools need to operate at this time, this will not be possible.

We have organised classes for next year and are doing so on the assumption that all children will return to an identified class with a teacher specifically for that class – these can be seen below.

To allow for a transition day for our new year 3 pupils, your child's first day will be Friday 4th September 2020. You will notice from the table below that, to facilitate social distancing at arrival and departure times, we have had to stagger start and end times for different year groups. I appreciate this may cause some issues with regard to pick up and drop off of siblings but it is something that we need to have in place and we cannot make any exceptions to this.

If you do wish to discuss this further, you will need to contact the school office as we are currently not able to accept visitors to the school site without an appointment.
